Bypass Rolling Door RTLA-905 5500A/5400A

Basco's Rotolo Bypass Rolling Door semi-framed enclosure offers the perfect combination of contemporary looks and functionality with the innovative bypass design. Its smooth rolling door mechanism, dual bypassing glass panels, subtly curved towel bar and popular finish provides all the features of a premium door – with benefits of simplified installation and adjustability while the door is hanging – makes this the ideal package.

Now available in 3/8" and 1/4" glass thicknesses, with custom and standard height and width options.
